In today's competitive sports environment, our philosophy is simple: *to be the best, you must prepare for and compete against the best.*

Our program conditions each athlete for growth and development at a rate that far exceeds what most high school athletes are used to. Commitment to fast paced, high intensity practice and skill work is key. Our experienced coaching staff, player development and rigorous schedule are focused on maximizing performance levels.

Our goal is to prepare student athletes to compete at the next level: whether it be the NCAA or the NBA. *ST. LOUIS EAGLES BASKETBALL CLUB* has a rich tradition of success in the AAU and Summer League circuit. We continue to stand out among the nation's best programs. As one of only 40 Elite clubs sponsored by NIKE nationally, we are proud of our legacy and even more excited about our future. Come join us on the journey.
